

East of England Imaging Academy - Interview Course:

November 24th 2022 09:00 - 17:00

We are happy to announce the return of the East of England Imaging Academy Interview Course. This one day course is intended for trainees who are interested in joining the specialty, offering an overview of the profession as a whole, how radiology factors into patient care, the Imaging Academy's modus operandi, as well providing an in depth guide to the application process itself. The day itself will also include:

- *A comprehensive interview course, Including consultant-led mock interviews with Personalised feedback from previous examiners.*
 - *A portfolio review performed by current radiology registrars against the latest portfolio requirements.*
 - *An optional poster competition pertaining to any topic within radiology.*
- Lunch and Refreshments Provided
- To register your interest and secure yourself a place on this years Hub Day please direct your enquiries to eeo.imagingacademy@nnuh.nhs.uk - There is a limit of 12 available places with Tickets costing £150 each, demand is high so be sure register asap to avoid disappointment.
